Hey There Scott; I am flattered and I thank you . The film, -Older Than America- has won over 24 awards to date including Best Feature Film, Best Director, Best Actor awards etc.

Also I won the White House Epic Award given to the filmmaker who creates social change in the world from the work they do .

There is an error. I am a Mushwatchees Cree registered to Samson Band, Hobbema but I never grew up there. It is too violent there.

I appreciate your efforts in this , Thank you so much. georgie lightning
